BATH LINEN

connecting contemporary and traditional design with fine craftsmanship

Welcome

This season Flaxfield Linen blends traditional and contemporary styles together, inviting a refreshed look to a range of timeless classics. Hand painted florals, exquisite textures, tonal layering and luxurious rawness articulates throughout these designs.

Our team of in-house designers were inspired by softer tones from barely there pinks in Desert Blush and Peony, through to bursts of the Sahara Desert with varying dusty hues in greys and blues. Our entire range blends seamlessly together providing endless styling opportunities and creative answers to your styling requirements. Our collections are seen in family homes, luxury resorts and boutique hotels both here and abroad.

We invite you to explore our collection of exquisitely soft comforters and cotton sateen bed linen, Turkish made bath linen, knitted cotton throws, French Flax bed linen and limited edition Silk Road cushions crafted from handwoven fabric, from travels throughout the Silk Road.

RESORT QUILTS

A simple row-stitched border and subtle geometric pattern combine to create the essence of understated luxury and craftsmanship in these Resort quilts. Generously sized to easily provide that luxurious drape everyone desires over their mattress.

SIENA

QUILTED PERFECTION

SIENA IS GENEROUS IN SIZE AND DISTINCT IN DETAIL. EXPERTLY QUILTED IN A STRIKING GEOMETRIC PATTERN, SIENA FEATURES A SMOOTH, PIPED BORDER AND HIDDEN BUTTON FASTENING ON THE DUVET COVER WITH QUILTED PILLOWCASES TO MATCH.

Our quilted duvet covers Siena and Orcia have been a Flaxfield staple since 2007. Both designs offer the next level of comfort and versatility by incorporating a quilted geometric design into the construction of the duvet covers and pillowcases.

Siena and Orcia will see you through all seasons. Use with a duvet inner to provide additional warmth through the cooler months and use without an inner to provide an additional light layer throughout those warm summer months.

Classic tailoring is evident from the mitred and piped pillowcases through to the generous border featured on the duvet covers, allowing for additional drape over your bed. Siena and Orcia are perfect for adding texture and tonal layering to your guest or master suite.
